

THE ALBA D'AUTUNNO COLLECTION

The Alba D'Autunno is the first sun on an autumn morning. It sets forests on fire with the passionate hues of autumn and hugs you with its warmth. It signifies beauty, hope and warmth.

The Alba D'Autunno collection is a part of one woman's enduring passion to make this world a better place for animals.

The autumn leaves were picked, preserved and woven into beautiful frames to help bring in funds to take care of rescued animals.
